

CALYPSO LIFT HYGIENE CHAIR

CALYPSO™ – AN EASY-TO-USE LIFT HYGIENE CHAIR

Calypso is an integral part of a safe, comfortable bathing cycle. This lift hygiene chair from ArjoHuntleigh gives the semi-dependent resident constant security during transfers, transport and the bathing session itself.

With *Calypso*, a single carer can safely manage all aspects of the bathing cycle and work in an ergonomically sound way at all

times. This battery-powered lift hygiene chair offers many features designed to enhance safe, ergonomic working practices.

Using *Calypso* in conjunction with a height-adjustable ArjoHuntleigh tub is the perfect combination for optimised ergonomics, as carers can always perform routines at the correct working height.

...with people in mind

KEY FEATURES

Bathing

Calypso integrates with several height-adjustable ArjoHuntleigh bathing systems.

Handles

Easy-to-grip handles make manoeuvring and positioning smooth and easy.

Toileting

With *Calypso*, manual lifting is eliminated from the routine and staff intrusion is kept to a minimum.

Seat

Two seat versions are available: the Classic seat and a version in soft, easy-to-clean PUR material.

Safety belt

The safety belt ensures resident security when seated and prevents the risk of sliding off the seat while bathing.

Bedpan

The bedpan is inserted in the holder under the seat for the convenience of incontinent residents.
