

PRESSURE INJURY PREVENTION

# Simulflex™

Foam mattress range

The Simulflex range has been developed to provide a 24 hour care solution. The range includes a mattress replacement, mattress overlay and seat cushion.

# Simulflex™ Range

This range is made of high quality polyurethane foam and available in variable sizes. In addition, the overlay includes corner securing straps for extra security.

24 Hour Care Package – Seat cushion available

Overlay System - A mattress overlay is also available and is easy to install

## Comfort and safety in mind

Suitable for use in a variety of care environments including hospitals, and community care

## Safe and convenient for patients and carers

Simulflex range has been designed to provide reliable pressure redistribution performance.

## Cover features

- Two way stretch
- Vapour permeable
- Water resistant
- Infection Control is aided by Antimicrobial properties in the cover material
- Easy to clean and maintain
- Concealed zip
- Clearly marked covers with TurnTable™ guide and washing instructions

**ANATOMICALLY INSPIRED ZONES**  
Features horizontally cut foam to provide 3 zones of pressure redistribution.

**CONCEALED ZIP**  
The cover has a concealed zip designed to help improve infection prevention protocols.

**HEAD AND HEEL ZONE**  
The head and heel zones include smaller cuts in the foam designed to improve comfort for the patient.

**SUITABLE FOR PROFILING BEDS**  
Suitable for use in the gatched or supine position.

**Simulflex**
